### AT YOUR HOME

It is a wonderful experience to have the Crystal Bed in your home. The energy of the bed creates a field and charges the entire space surrounding the bed. It is highly recommend that you prepare a space for the bed by clearing the area of clutter and gathering special items that you would like to charge with the powerful healing frequencies. Some Suggestions: Crystals, Jugs of Water, Personal Care Items, Food, and any other items that have special or sentimental meaning. Please be sure that there is enough space to set up a standard massage table and tripod.

Due to the time and effort involved in transporting the bed, a setup fee will be charged. This fee also accounts for the time that the bed will be unavailable to other clients for booking while it is in transit and away from the home studio. There is a minimum session requirement to book the bed outside of the studio. The minimum requirement for booking is 4 hours. The set up fee also pays the professional practitioner for their time and talents.
